

IvoryCare Dental & Implant Centre

DEMO 2 — Fictional Dentist Client Brief + Website Data

Dentist's Special Requirements

“I don't want just a basic website. I want something that actually helps my clinic get appointments.”

1	Online appointment booking — dentist, service, date, time, name and phone.
2	Emergency dental appointment button with quick call/WhatsApp access.
3	Individual dentist profiles with photo, qualification, specialty and experience.
4	Before & After Gallery for veneers, whitening and smile makeovers.
5	Treatment cost guidance — enquiry form instead of fixed treatment prices.
6	WhatsApp integration across major calls-to-action.
7	Google Maps and directions prominently displayed.
8	Patient reviews / testimonials section.
9	FAQ section covering common dental treatment questions.
10	Mobile-first design because most patients will visit from phones.
