Frequently Asked Questions

Do I need an appointment for a dental check-up?
Appointments are recommended so the clinic can reserve enough time for your consultation. Walk-ins may be accommodated depending on availability.

How often should I get my teeth cleaned?
Most patients benefit from a professional dental cleaning approximately every six months, depending on their oral health.

Do you provide emergency dental appointments?
Yes. Emergency appointments are available during clinic operating hours. Patients can call or WhatsApp the clinic for assistance.

Do you provide dental implants?
Yes. BrightDent provides dental implant consultations, implant placement and implant crown treatments.

How much does a treatment cost?
Treatment costs vary depending on the patient's condition and the treatment required. Contact the clinic for a consultation and personalised treatment estimate.

Do you treat children?
Yes. Pediatric dental care is available for children and teenagers.

Do you offer teeth whitening?
Yes. Professional teeth-whitening treatments are available after an initial dental assessment.

Can I book an appointment through WhatsApp?
Yes. Patients can contact the clinic through WhatsApp to enquire about available appointments.
